

***UNITED STATES AND STATE OF NEW YORK EX REL. MARTINHO V. GRAMERCY
CARDIAC DIAGNOSTIC SERVICES P.C.,
NO. 18-CV-7400 (S.D.N.Y.).***

CASE OVERVIEW

Status: Settled

Related Practices: Whistleblower

Representation of a whistleblower in a healthcare action under the federal and New York State False Claims Acts against Gramercy Cardiac Diagnostic Services P.C. and its owner. The complaint alleged that defendants violated the federal and New York State False Claims Acts by engaging in a wide-ranging kickback scheme to pay large numbers of doctors for referring patients to their radiology business. The case resulted in a settlement of \$6.5 million.
