* For our empirical study of project attorney/contract attorney and associate rates, only attorneys listed as “contract attorneys,” “contract associates,” “temporary attorneys,” “project associates,” or “project attorneys” in their respective lodestar summary declarations have been included in the average calculations. “Staff attorneys” and “staff associates” have been excluded, as it is not possible to determine their actual employment status from their respective firms’ declarations. We also only included firms that affirmatively labeled their associates as “associates” in their fee declarations. Firms that designated associates as “attorneys” or simply “A” have not been included. Likewise, firms that listed only partners or did not categorize their attorneys as either partners or associates have been excluded from our analysis. Furthermore, firms that list categories such as “associates/staff attorneys,” “project associates/staff attorneys,” “associates/of counsel”, or “other attorneys” without any distinction between the different attorney types have been excluded.

Footnotes:

¹ Nortel II provided for \$370,157,428 and 314,333,875 shares of Nortel common stock valued at \$2.24/share. 8% of each was awarded to counsel, resulting in \$29,612,594.24 in cash and 25,146,710 shares of common stock.

² There were several different settlements in *HealthSouth* against various defendants over the course of 3 years: \$445 million in 2008, \$109 million in 2009, \$117 million in 2010, and \$133.5 million in 2010 for the Bonds case. Attorneys' fees of \$77,875,000 of \$445 million, or 17.5%, was approved in 2008, \$20,154,100 of \$109 million, or 18.49%, was approved in 2009, \$22,815,000 of \$117 million, or 19.5%, was approved in 2010 and \$17,355,000 of \$133.5 million, or 13%, was approved in 2010 for the Bonds case. The fee percentage and lodestar information here represent the aggregate of all the settlements.

³ In *Dynegy*, the settlement was \$406.05 million in cash and 17,578,781 shares worth \$68 million of Dynegy stock. The court awarded 8.7257% of both, which amounts to \$35,151,482 in cash and 1,533,872 shares of Dynegy common stock worth \$5.93 million, for a total fee of \$41.08 million.

⁴ There were two settlements in *Raytheon* against multiple defendants: \$210 million in cash and \$200 million worth of settlement warrants with certain defendants, and \$50 million with PricewaterhouseCoopers. The fee percentage and lodestar information here represent the aggregate of both of the settlements.

⁵ There were two settlements in *Qwest*: \$400 million with certain defendants in 2006 and \$45 million with other defendants in 2009. Attorneys' fees were \$60 million (or 15%) and \$6.75 million (or 15%) respectively. The fee percentage and lodestar information here represent the aggregate of both of the settlements.

⁶ In this case, there were also entries for "staff attorneys". Because we cannot tell if they were hourly or full-time, they are not included in either category.

⁷ Only one "project associate" billed at \$400.
